## Additional Information

- The prices shown include VAT at the legal rate in force.
- Reproductions are supplied solely and exclusively for the purposes stated and may not be transferred to third parties, disclosed or disseminated by any other means or medium without prior authorisation from the Foundation.
- The use of images must be accompanied by the reference/credits provided by the Foundation.
- When used on social media or other digital media, images must be accompanied by the respective link to Casa Comum.
- Where works are protected by copyright, it is the applicant's responsibility to regularise such rights, except in cases where archive holders have assigned the rights or delegated their management to the Foundation. The prices in the price list refer solely to the supply of digital copies
- The Foundation provides a digitisation service for two-dimensional documents, supplying, by default, colour digital reproductions of the complete original at 300 ppi resolution and in TIFF format. The technical quality of the images is objectively assessed by software, ensuring colour and tonal fidelity and a minimum reading capability of 5 LP/mm (line pairs per millimetre).
- Depending on the original or on specific requirements, other resolutions may be considered.
